Newsletter - November 2026 Issue

Greetings from Youth Unlimited NS

Thank you for joining us! We look forward to keeping you updated on all that God is doing through Youth Unlimited Nova Scotia. Today we will be sharing a message from our executive director, a special invitations to our Christmas Ministry Gathering, two ministries we've had the privilege of running that have come to a close, the incredible ministries we ran this summer, and a ministries update for our 2026-2027 season. We have lots in the works and are looking forward to what God has in store for us here at Youth Unlimited Nova Scotia.

Introducing Our New Executive Director

Hello everyone, I'm Caleb Cheng.

I am truly delighted to join the loving and mission-driven family here at YUNS (Youth Unlimited Nova Scotia)!

Originating from Hong Kong, I have been serving in youth ministry for over 25 years. My academic background is in Education (specializing in Children and Youth) and Mediation. Looking back at this journey, I am deeply grateful for God's grace—especially seeing the solid and wonderful work our team is already doing in Lower Sackville as well as through our Sports Ministry. It is truly encouraging and inspiring.

Looking ahead, my vision is for us to step into and serve even more communities, with a special focus on reaching youth from diverse ethnic backgrounds. Whether in Truro, the Annapolis Valley, or Halifax, we hope to put down deeper roots and expand both the depth and breadth of our youth ministry, bringing love and hope to every young person.

In addition to reaching more youth, I hope to gather and mobilize more volunteers, while

building stronger partnerships with local churches and community organizations. Over the coming year, alongside growing our existing ministries, we will also launch several new initiatives—such as a Youth Volunteer Program, local youth outreach initiatives in Halifax, and exploring the establishment of a long-term ministry center. All of this relies entirely on God's grace.

I strongly believe that as an organization, we must always remain sensitive to God's voice and follow in His footsteps. We must go where He calls us—even if it means venturing into deep waters, reaching out to the overlooked or forgotten, or walking paths filled with challenges. As long as it is God's call, we will step forward in faith.

This journey requires us to walk shoulder to shoulder. I am deeply looking forward to co-laboring with each of you, and I humbly ask for your continued support and prayers.

Thank you all!

"Every young person living fully in Christ"

Blessings,
Caleb Cheng
Executive Director
Youth Unlimited Nova Scotia

Christmas Ministry Gathering

Dear Supporters,

You are warmly invited to Youth Unlimited Nova Scotia's Annual Supporters' Dinner.
This is our special evening to gather with those who partner with us in youth ministry. We will worship together, give thanks, and share the work God has done through our mission over the past year, as well as the vision ahead. After the meal there will be time for coffee and conversation.

Your presence and support mean a great deal to us. We look forward to celebrating, giving thanks, and continuing this journey together.
Thank you for walking with us in youth ministry.
Youth Unlimited Nova Scotia Team

2026-2027 Ministries News

Waypoint Drop-in - Lower Sackville

An Exciting Start to the School Year
This school year has gotten off to an exciting start, with new youth joining us and many familiar faces returning! It has been encouraging to see the continued growth of relationships and the opportunities we have to connect with young people in our community.

This year, we are introducing a new initiatives around our drop-in programming that we ask for you to join in on. Every Wednesday and Thursday at 2:50 pm, our team comes together in prayer before opening the doors and welcoming youth in from their school day. During this time, we pray for God to give us wisdom, compassion, and boldness as we interact with and walk alongside the young

people who come through our doors. We ask that you join us at 2:50pm from wherever you are that you take a moment to join us in prayer for us and for the youth who we will have the chance to interact with that day.

A Permanent Home for Youth Unlimited Nova Scotia
The time has come for us to begin establishing a more permanent home for Youth Unlimited Nova Scotia in Lower Sackville! We are currently working toward an agreement for a space that we can use multiple days a week, allowing us to begin building consistent programming within a Youth Centre that we can call home. This is an exciting next step in the development of our ministry and our ability to serve young people in the community. However, this opportunity also brings additional financial and practical needs as we work toward making this space a reality. We would greatly appreciate your prayers as we navigate this transition, pursue this new ministry direction, and trust God to provide the resources and opportunities needed to move forward.

Youth Alpha Is Back!

Youth Alpha is returning in the winter/spring of 2027! We will be launching our next run of Alpha on Thursday, February 4th, during our regular drop-in timeslot at Encounter.

Over the past year, several youth have expressed a genuine interest in having more opportunities for meaningful conversations about faith. Some have even asked when we would bring back our "God talks" and "those Jesus videos." We are excited to create space for these conversations once again, exploring questions about God, faith, Jesus, and what it means to follow Him. If you know of any teens that would be interested in this program please feel tree to share. We have include the

Registration Link

registration link here.

Basketball Ministries Atlantic

We are excited to present Basketball Ministries Atlantic, and the opportunity to grow in the game, but even more importantly, to grow in community, in faith and explore following Jesus. This will provide the opportunity for teens to be mentored and hear from those who are playing the game at a high level. We have an incredible leadership that includes college basketball players from our community. We are excited to be able to offer open gym time starting next week on November 11 at Rock Church Gymnasium. Please share to any students you know who may be interested!

Ministry Praise

WayPoint Youth Center – Truro

After two years of ministry in Truro, change has come our way. The building we were using for the youth center has

sold and it will be used for other ministries by the new owners. We had a great two year run, and many connections and conversation were had. We are thankful for the opportunity to serve the students in Truro at the lunch hour drop-in. We are thankful for the support that made it possible to provide free food two days a week for two school years! Amazing!! We had the privilege of getting to know Jesse over the two years. He is big in stature and personality, a great kid. The team had the opporunity to pray with Jesse about a surgery and have many conversations about Jesus and faith. He has since connected with a youth group. We couldn't be more thrilled. This made our time there worth it!!

Rally For Impact

After two and half years, 12 rallies and hundreds of students from around Nova Scotia, the time has come for some intentional change. With a renewed vision for the Lower Sackville area, Michael will be shifting his full focus to developing what is next. The rallies were an incredible time of bringing youth groups together, to encourage them to reach and impact their communities! We met some amazing youth and leaders from around the province!! There is such a great movement among our youth to follow Jesus!

Soccer Drop-In

Pick-up soccer was a great opportunity this summer to deepen existing relationships and build new connections

with youth in the community. Some of these connections grew out of relationships established through our drop-in programming, while others came through the soccer nights themselves. It has been a blessing to see how opportunities like these create space for relationships to develop beyond our regular programming.

Basketball Ministries Atlantic Presents Faith and Development Camp

This summer we were excited to be able to offer a faith and development camp. We had an incredible team of local basketball players and an incredible turn out of teens ages varying from junior hight to high school. Check out our instagram page for interviews with our incredible volunteers.
