

Fall 2021 - General Newsletter

Youth Impact

One-on-one mentoring is a crucial part to helping youth feel connected and valued. We continued to meet with different youth over the summer that are connected with our community programs.

30 youth were impacted in unique and engaging ways, during 3 weeks of Day Camps.

With the housing summer program, it's given our youth an opportunity to experience things other youth get to do, whether it's going to the beach, having a bonfire or having a movie night.

Partnership Impact

"I love partnering with YFC because I believe in what they are doing to care for youth and reach them for Christ. I have had a heart for their ministry for years! I am confident that their ministry is in competent, Christ-like hands."

(from a new monthly partner)

Thankful for YOU!

We are so grateful for your ongoing support! You are the reason we can continue to impact youth in our city, province, and beyond!

Upcoming opportunities

We are planning to host some informational/connection fundraising events in a few churches later in the fall. We look forward to sharing with you how your partnerships are impacting youth in our city, province, and beyond!

I will be sending out more information on that in the coming month.

Please reach out to me if you have any questions or would like to come!

This fall/winter, we are fundraising towards the purchase of newer vans for youth transport as our current ones need replacing.
