

So grateful!

As we near the end of another fiscal year, we are reminded how grateful we are for each of you that intentionally chooses to partner with this important ministry. While raising support takes a lot of time and effort, it can be very life-giving and we count it a privilege to do so.

Because of your partnerships, we can continue to have a huge impact in the lives of youth in Regina and beyond. Thank You!

For years, we have been praying for a new 15 passenger van, and this fall that prayer was answered. We received a significant donation from one of our partners as well as from some individual partners and a grant.

Having safe and reliable transportation is crucial in being able to impact youth, as we provide transportation for many of our programs. We are so grateful for this very important ministry tool.

Thanks to Mark Olson from McMillan Motor Products for finding a great van for us during a vehicle shortage.

Thanks to Sharp Signs who provided the YFC Logo's for the new van (and an older one).

Business Spotlight

Years in business: 8

We love building into the community because we believe that we are called to live in community and help support others. It is so rewarding to see people grow and reach goals that they may not have been able to do on their own and live life to the fullest.

We love partnering with YFC Regina as they walk alongside young people. The holistic nature of their programs is amazing, as it serves the physical, mental, and spiritual needs of the individual person.
