Unlimited™**

**Spring 2023**

**Years in Business**

We started in 2020.

**Why do you value building into and giving back to the community?**

Community means so much to us. We love supporting non-profits as so many are dependent on local businesses like ours. We love being a part of the impact that happens and being a part of the greater community that builds into young people.

## Ministry Impact

We had an awesome end to the calendar year at YFC Regina. We had multiple churches donate Christmas gifts for the youth in our housing programs, as well as churches and businesses that donated food hampers for youth and their families. Items like that are so valuable and go a long way in impacting youth.

In Oct/Nov/Dec, we did a gift card initiative where I asked people and businesses to donate gift cards towards gas, groceries, and youth outings. I exceeded my goal and was so encouraged by each that gave towards this very tangible way of impacting youth. We've already been able provide groceries for youth's families, take youth on outings and fill vehicles with gas. THANK YOU!

## Coming Up

We decided to post-pone our March Business/Connections Lunch as too many people were going to be away. I am excited to meet together again soon! I will send details out for that in the coming weeks.

## Partner with us!

As Easter approaches we are looking for people and businesses to donate Easter related items like chocolate, treats, and food for Easter meals with the youth. Please reach out to me if you'd like to participate!
