YFC VICTORIA FUNDRAISER

PLAY GOLF & MAKE A REAL DIFFERENCE

OLYMPIC VIEW GOLF COURSE. SEPT 15, 1PM

YFCVICTORIA.COM

WELCOME

We are excited to host the YFC Victoria Annual Fundraising Golf Tournament at Olympic View Golf Course on Friday, September 15th, 2023 at 1:00pm and invite you to partner with us in reaching the youth of Victoria and Southern Vancouver Island! This event is YFC Victoria's largest fundraiser and the proceeds from the day provide a significant percentage of our annual budget towards supplementing staff and program costs.

YFC Victoria's programs stretch across the entire South Island, working to engage the youth of our region through outreach programs and support of other local initiatives. This past year, our staff were in direct contact with over 800 youth. Through our involvement in public schools, on Indigenous communities, outreach centres and in the city's core, we encourage each young person towards a positive future and towards Hope.

We would love for you to consider joining us as a sponsor, by making a donation, or bringing a foursome together for the day. Being involved in any of the ways mentioned is a huge help to us.

YFC Victoria is a registered Canadian charity. Should you require further information from us, or have any questions, please do not hesitate to contact our office. If you are already prepared to join us in sponsorship, you can mail in a cheque along with the form in this booklet or sign up online at: www.yfcvictoria.com/golf.

We thank you in advance for your support!

ABOUT YFC

Youth for Christ Victoria has been in Victoria since 1980, founded by people with a vision to bring hope to every young person in the area. Our ministry is involved in responsible, effective and culturally-sensitive outreach to youth, communicating & caring in ways that are relevant to this generation.

From prevention to helping kids in the margins, our dedicated staff & relevant programming aspire to address the needs of young people & give them the tools to be successful no matter what their path in life.

YFC STORIES

Youth
Unlimited™

A 40-foot shipping container of beds, medical packs and other supplies arrived in Ghana to support the YFC training center in their outreach to youth. At the end of 2022, another arrived in Kenya.

2 girls we work with ran away from their homes, but have now returned. They have met with our staff and decided to take a course in freedom and recovery.

A high school student who has not spoken verbally at school since beginning his first year, has started to use his voice at the warehouse where we fill containers to send to YFC bases overseas. The teachers commented that they had never heard his voice and now that's changing at school as well.

Through the course of 2022, a street youth got off drugs, obtained secure housing and was allowed her to have her baby back. Her comment was that she had heard our staff's life story and it inspired her to make a change.
