

Counsellor

Turning Point

Permanent Full-time or Part-time

We are looking for a well-organized Counsellor who is passionate about providing professional and affordable care and has a heart for ministry. If you are passionate about counselling and being a part of a dynamic and caring counselling ministry with a focus on Winnipeg's youth and their families, this may be the perfect fit for you.

As a Counsellor at Turning Point you will work among an existing team of counsellors providing individual counselling to youth and parents in Winnipeg, while also being involved in YFC Winnipeg-wide events. Additionally, there will be opportunities to support YFC staff and volunteers in their work with youth through educational opportunities, connecting them with resources, and counselling.

Turning Point is a vital part of the overall ministry success of YFC, offering practical help and hope to youth and their families by way of professional and affordable counselling services. Turning Point is a place where young people and their families are connected with skilled, trained, and caring Counsellors, and given the opportunity and tools to make more positive choices. Most importantly, it is a place where young people and their families can encounter the life-changing person, work, and teaching of Jesus Christ.

If you have a master's degree in counselling or a related field from an accredited school; or have equivalent experience and training and meet our education/training criteria then we invite you to apply for this position.

As Youth for Christ is a faith-based organization, a successful candidate must be able to affirm and support our organization's Statement of Faith, and be committed to our mission.

We are passionate about our goal of changing the lives of young people, and we would like you to join us.
