

Work Force Summer Program Staff – Summer Position

From: May 10th – August 27th

Location: Living Word, 467 Manitoba Ave, Winnipeg

Work Force, a ministry of Youth for Christ Winnipeg, is looking for a team of young adults to give leadership, training and mentoring to our summer youth program. Located in Winnipeg's North End, Work Force has been a key program investing in the William Whyte community for many years. Work Force strives to be a place where all teens are connected to a caring community where invaluable employment skills and training are provided. Candidates need to be energetic and enthusiastic about journeying with youth in the community and demonstrate initiative to get things done. As a summer staff team member, you will be required to use your particular skills to care for your assigned responsibilities, create and implement lessons and events that creatively engage youth in meaningful healthy mentoring relationships. Our program goal is to provide opportunities for youth to explore the life-changing message that Jesus Christ can make in their lives.

Given the nature of the work, the successful staff member will need to have access to a vehicle, and a valid Class 5 (minimum) license. As Youth for Christ is a faith-based organization, a successful candidate must be able to affirm and support our organization's Statement of Faith and be committed to our mission.

We are passionate about journeying with these young people, and we would like you to join us. Please contact Ian Croatto at Work Force (Ian.croatto@yfcwinnipeg.ca) to have an application sent to you. Only those selected for an interview will be contacted.
