As Kawartha Youth For Christ/Youth Unlimited's programs grow, there will be occasions when photographs and videos will be taken of participants in our programs and activities. These could appear in agency newsletters, brochures, website or social media; or in local newspapers, on television, and might identify participants by first name. We wish to inform you of this in advance in order to avoid any surprises or misunderstandings.

I hereby give permission to Kawartha Youth For Christ/Youth Unlimited to use photographs or any other media representation of me and/or my family members (as listed above) at the discretion of the agency. I release Kawartha Youth For Christ/Youth Unlimited, its officers, directors, volunteers and staff from any and all responsibility/liability that may arise as a result of the use of such photos/media.
