TRIMOUNT

Welcome

We are excited to present the 2026 YFC Charity Golf Classic. This year's event will be held Friday October 2nd at Cordova Bay Golf Course with a 1:00 pm shotgun start. We invite you to partner with us in reaching the youth of Victoria and Southern Vancouver Island with messages of Hope! This event is YFCSI's largest fundraiser and the proceeds from the day provide a significant percentage of our annual budget towards supplementing staff and program costs.

YFC South Island programs stretch across the entire South Island, working to engage the youth of our region through outreach programs and support of other local initiatives. This past year, our staff were in direct regular contact with 650 youth. Through our involvement in public schools, on Indigenous communities, outreach centres and in the city's core, we encourage each young person towards a positive future and towards Hope.

We would love for you to consider joining us as a sponsor, by making a donation, or bringing a foursome together for the day. Being involved in any of these ways is a huge help for us.

YFC South Island is a registered Canadian charity. Should you require further information from us, or have any questions, please do not hesitate to contact our office. If you are already prepared to join us in sponsorship, you can mail in a cheque along with the form in this booklet or sign up online at www.yfcsi.com/golf

We thank you in advance for your support!

About YFC

Youth for Christ South Island has been in Victoria since 1980, founded by people with a vision to bring hope to every young person in the area. Our ministry is involved in responsible, effective, and culturally-sensitive outreach to youth, communicating & caring

in ways that are relevant to this generation. From prevention to helping kids in the margins, our dedicated staff and relevant programming aspire to address the needs of young people and give them the tools to be successful no matter what their path in life.

YFC Stories

When their camp location from the last 6 years was no longer available, Nanaimo's team found a new home the same day. A local resident, feeling led by God, offered his 57-acre property for future camps — volunteers are now clearing the land to prepare for this summer's programs!

Partnering with the Compassionate Resource Warehouse, YFC Victoria leaders and local youth packed four 40' shipping containers destined for YFC bases in Africa. Many of the containers provide necessary materials and supplies for area schools such as desks, chairs and even computers, some even provide support to local hospitals with gurneys, mattresses and medical supplies.

Our Campus Life ministry provides daily one on one conversations with many of the youth we engage with regularly through our multiple breakfast club and lunch time soccer programs. This allows us to get to know the kids personally and model what a life with Jesus looks like.

OpenArms ministry embodies Jesus' love as YFC leaders walk the journey with homeless teens. This year, one mother reunited with their children after getting clean, another secured housing, another is set to finish their high school education, and yet another landed a great job to support her family! YFC leaders are meeting teens where they're at.
