

Interim Program Director Stonewall Satellite Location Full-time Permanent

Youth For Christ Winnipeg is looking for a Program Director for our Stonewall Satellite Community. The Drop-in program is a place where teens are connected with caring Christian staff and volunteers, provided with a place to hang out, and given opportunities to make positive choices in their lives. Most importantly, it is a place where young people are introduced to the life-changing person, work, and teaching of Jesus Christ.

As the Director, you will oversee engaging programs, supervise dedicated and energetic volunteers, create amazing bonds with young people, and connect the community with the Drop-in in ways that ensure success for the future.

You will be organized with strong administrative abilities, take initiative to get things done, understand how to manage a budget, and liaise with the building owner to ensure the physical space and assets remain in good repair and meet the safety and program needs of the young people who spend time there.

You will use your youth ministry experience/education to motivate and develop your team of volunteers, and provide supervision to all staff who report to you. Within the community at large, you will provide opportunities for individuals, businesses, churches, and government to partner with us in the accomplishment of our mission. You will plan and implement large and small events, coordinate a team, and connect with people from every walk and sector of your community.

Given the nature of this type of work, the successful Director will need to live in or near the Stonewall community, moving there within the first year of starting in the position.

As Youth for Christ is a faith-based organization, all staff of Youth For Christ Winnipeg must be practicing their Christian faith by being a participant in a local Christian church, have a Christ honouring testimony, and be in agreement with YFC's Statement of Faith, Community Commitments and be committed to our mission.

We are passionate about our goal of changing the lives of young people, and we would like you to join us.
