

## **Soccer Coordinator**

### **YFC Soccer League**

Full-Time Permanent

If you have a passion for soccer, love passing that passion on to others, and want to have your life make a difference in the lives of young people in Winnipeg, then this may be a perfect fit for you.

As a League Coordinator, you will have the opportunity to grow a vibrant soccer league in depth and reach, taking a proven league and reaching into the lives of hundreds of young people in Winnipeg with the sport, and fostering amazing mentor relationships between coaches and players.

Working under the Soccer Director, you will oversee the league - recruiting and coaching coaches, recruiting new players, ensuring the day-to-day operation is executed with excellence - but you will also look for opportunities to expand the league into new school, neighbourhood, and communities. You will be given a team of your own to coach, giving you hands-on experience interacting with the young people in the league.

You will need to be able to organize and run a league using a proven and successful framework, making sure that league nights run smoothly and with excellence, so some organization skills are required. But, most importantly, you will have the chance to live out your faith and see God at work in the lives of your coaches, volunteers, and young people as He uses your gifts and abilities and passion to have an impact that can make an eternal difference

As Youth for Christ is a faith-based organization, a successful candidate must be able to affirm and support our organization's Statement of Faith, and be committed to our mission.

We are passionate about changing the lives of young people, and we would like you to join us.
