### **YFC Winnipeg**

Contract / Full-time / Part -time

Youth for Christ Winnipeg is looking for a vibrant team of 3-4 individuals to serve in our Summer Work Force programs. If you are passionate about changing the lives of youth and gifted in administration, gardening, lawn care, entrepreneurship, program planning, or teaching - Summer Work Force has a role for you! For more information on the specific roles we are looking to fill, please visit [workforceyfc.weebly.com](http://workforceyfc.weebly.com)

YFC Work Force currently serves the North End community and seeks to be a safe place where teens are connected with caring mentors, provided with a place to hang out, given opportunities to gain meaningful work knowledge and experience, and introduced to the life-changing person, work, and teaching of Jesus Christ.

As a Work Force Summer Staff, you will assist with planning and facilitating any assigned summer program(s) while engaging and equipping youth to know and follow Jesus through intentional mentorship and discipleship. Working with a dedicated team of volunteers, and with the support of the Work Force staff team, you will give young people in the community opportunities to receive employment training, discover their potential, and encounter Jesus Christ.

You will need to be organized and energetic, willing to work outside, and enthusiastic about changing the lives of youth in the community. You will especially need to be an excellent team player, willing to help out as assigned in order to help the programs run smoothly.

As Youth for Christ is a faith-based organization, a successful candidate will be able to affirm and support our organization's Community Covenant and Statement of Faith, and be committed to our mission.

We are passionate about changing the lives of young people, and we would like you to join us.
